Welcome to the May issue of the Delaware County Environmental Clearinghouse newsletter, which brings you local and national environmental news and events. As of now, the newsletter is being sent to the leaders of Delaware County environmental organizations. We urge you to forward the newsletters to your members so they can sign up for it as well. And please visit our website, [enviodelco.org](http://enviodelco.org). *The Clearinghouse Team.*

## [Trump may defund MACH-2 Hydrogen Hub](#)

April 25, 2025

The Trump Energy Department has indicated that it plans to cut funding for four hydrogen hub projects in blue states while keeping three in red states. In Pennsylvania, that means axing the MACH-2 hub along the Delaware River that was supposed to be fueled by clean off-shore wind farms. Those projects are also being axed while the three remaining hubs will be fueled by fossil fuels.

## [Urgent: Trump Admin. is cutting habitat destruction ban in Endangered Species Act](#)

April 18, 2025

Public comment is urgently needed on the Trump Administration's proposed rule change in the Endangered Species Act to eliminate habitat destruction as a covered harm.

## [Op-Ed: PA DEP needs more staff to deal with urgent environmental problems](#)

April 16, 2025

While the workload of the Pennsylvania Department of Environmental Protection (DEP) has increased dramatically over the past two decades, its staff has shrunk significantly to the point where the department can no longer adequately enforce Pennsylvania's environmental laws and regulations.
