

Sierra Club calls for Support of PA [House Resolution 66](#)

This resolution calls for a study to help the PA Department of Conservation and Natural Resources (DCNR) develop an insect conservation program. It has passed out of committee and is now awaiting a vote on the House floor. **[Read our fact sheet about this resolution.](#)**

Once HR 66 passes the House, its journey through the state legislature is complete and the insect conservation program study can begin!

Act now: Ask your PA State Legislator to support this resolution. **Do that here**
